## RULES FOR LABORATORY ACTIVITY

---

1. Laboratory assignments must be turned in after 1 week to qualify for maximum grade.
2. The penalty for delay is **1** point for that assignment for each week of delay.
3. An assignment cannot be delivered after more than three weeks after its due date. e.g.: week 4 is the last week for laboratory work assigned in week 1.
4. The maximum number of assignments that can be graded during one week is **3**.
5. The grade for an undelivered assignment is **0**.
6. The grade for a copied assignment is **0**.
7. A minimum average of **5.00** for the laboratory activity is required to enter the examination.
8. The maximum number of unexcused absences from lab activities is **2**.
9. You must attend laboratory activities with your own subgroup.
10. Laboratory assignments can only be delivered in person.

**Feel free to ask questions during the laboratory and use your @scs email outside it.**
